

Furniture

The Feature Wall

Every Bunkie offers the option to enhance your space with a feature wall, designed to be both stylish and functional. This modular cabinetry system allows you to tailor the storage and display areas to perfectly fit your unique needs and preferences.

The Wall Bed

Turn your Bunkie into your own private oasis. Wall beds are an amazing way to create a multi-functional space. Available in Queen and Double sizes, in vertical or horizontal configurations. Fold the bed away and have ample room to play.

Potential Furniture Layouts

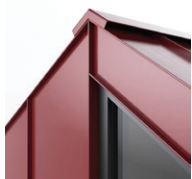

Options

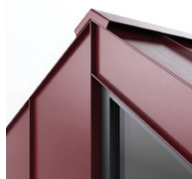

The Bunkie offers a wide variety of furniture options to suit your lifestyle. A wall bed, modular cabinetry, or table & chairs are great ways to increase small space functionality. Choose from a selection of standing seam steel colours, privacy blinds and maple style flooring.
