

Huron

Private, Cozy Cabin

106 SQFT

Glass Door with Transom

Gable Roof

Exterior: 9'-6"W x 11'-2"D x 10'-7"H

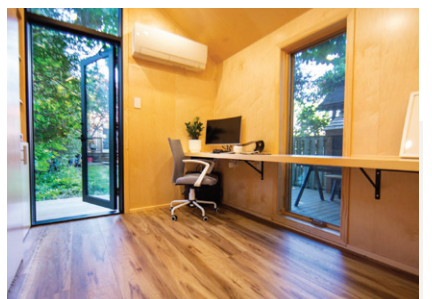

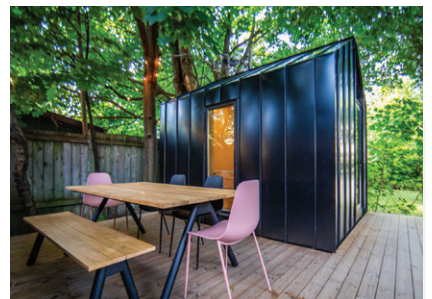

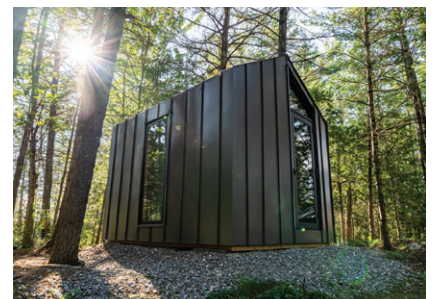

Interior: 8'-4"W x 10'-0"D x 9'-5"H

Word that best describes:

HOMEBASE.

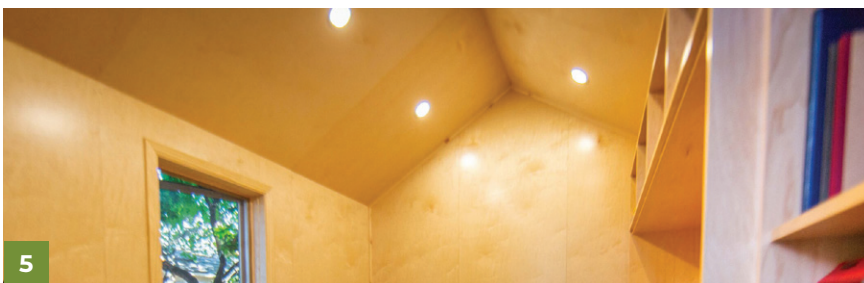

This model has our hallmark floor to ceiling glass but reduced for more privacy. Similar functionality to the Vos model interior wall surface for hanging or mounting storage items. When designing this modern cabin we channeled Lunar landing base vibes. Keep it super simple and have a little privacy too.

Huron
